Swim club bags five medals

Winners take part in tourney for the first time

DOLPHIN SPORTS, a swimming club based at the Panasonic Sport Centre in Shah Alam, is encouraged with its impressive members' turnout at the Selangor Age Group swimming championships held at the Darul Ehsan Aquatic Centre in Shah Alam recently.

In the three-day championships, the club, which had registered 73 participants, won five bronze medals. And coach L.B. Lee had reason to be happy as all the medal winners were taking part in a competition for the first time.

The medal winners were Low Qie Ling, Franziska Lee, Yu Shu Qi, Izz Danial and Kenneth Loh. Yu is only seven and has shown her potential. Lee said the swimmers' successful outing had prompted them to intensify the training programmes.

"We have to look ahead and groom the swimmers for other more challenging competitions. Our vision is to see them representing their schools, the district and subsequently the state," he said.

All smiles: Some of the trainees in a jovial mood in the pool.

Dolphin Sports, which was established about five years ago, is more involved in teaching youngsters basic skills involved in swimming.

"It was more of a life saving programme. Over the years, we were convinced that our swimmers had the capabilities to take part in swimming championships. We had also organised an in-house competition to boost their confidence," said Lee.

Panasonic Sports Centre manager T.

Kanniappan said they were happy to have provided the facilities to the club.

"Dolphin Sports have a team of dedicated coaches. We hope to see more swimmers from the programme making an impact in competitions," said Kanniappan.

The swimming centre is open from 9am to 10pm daily. For more information on Dolphin Sports programmes, call 03-5541 6936.
