

Plan to take part in inter-club c'ships

● FROM PAGE 47

onships gave the young swimmers some exposure to competition.

"Most of the participants have been with us for the past two years. They have learnt the basics and are now preparing for competitions next year.

"This championships gave them an opportunity to compete against each other, besides a chance to get together.

"We are happy with their results. Next year, we aim to take part in the Inter-Club championships. Those swimmers who impress will also get to represent their schools at the district level school meet," said Boon Leong.

Boon Leong added that they planned to make the championships an annual affair based on the success of this year's championships.

The best performers in the swimming meet (from left) Kok Hoong, Bing Shium, Su Ee and Yan Li.

RESULTS
